WHAT IS SHISHA?

Shisha is the Egyptian classically styled and handmade pipe known as a Hookah. It is a single or multi-stemmed instrument for vaporising and smoking flavoured tobacco called shisha. The tobacco smoke is passed through a water basin before inhalation making it more of a vapour. This style of shisha originates in India and Persia.

SHISHA FLAVOURS

Our indulgent shisha's have been handpicked for an exotic taste sensation of North Africa. We offer the highest quality of amazingly smooth, flavorsome and intensely long-lasting shisha for you to relax with the imaginative fusion of flavors
